Lab Report 7

Name : Siti Aisyah Rumaisha binti Malek

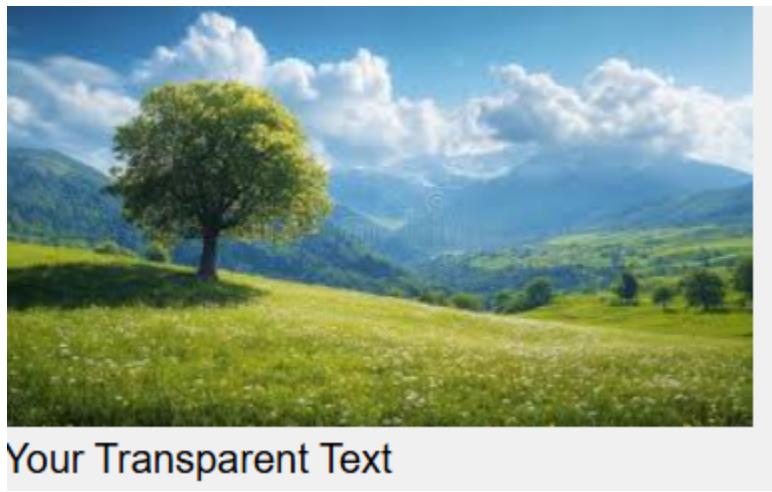

Matrik: S74449

Date : 10 December 2025

Group: K4

Programme: Computer Science (Software Engineering)

7.1 Create a Transparent Image Text

Your Transparent Text

7.2 Create a Form on Image

A dark-themed login form. It features a light gray rounded rectangle overlay containing two input fields: one for 'Email' with placeholder text 'Enter Email' and another for 'Password' with placeholder text 'Enter Password'. Below these is a large green rectangular button with the word 'Login' in white.

7.3 Create a Side Navigation Buttons

This is the collapsible content. Click the button above to toggle between showing and hiding this section. You can add more content here.

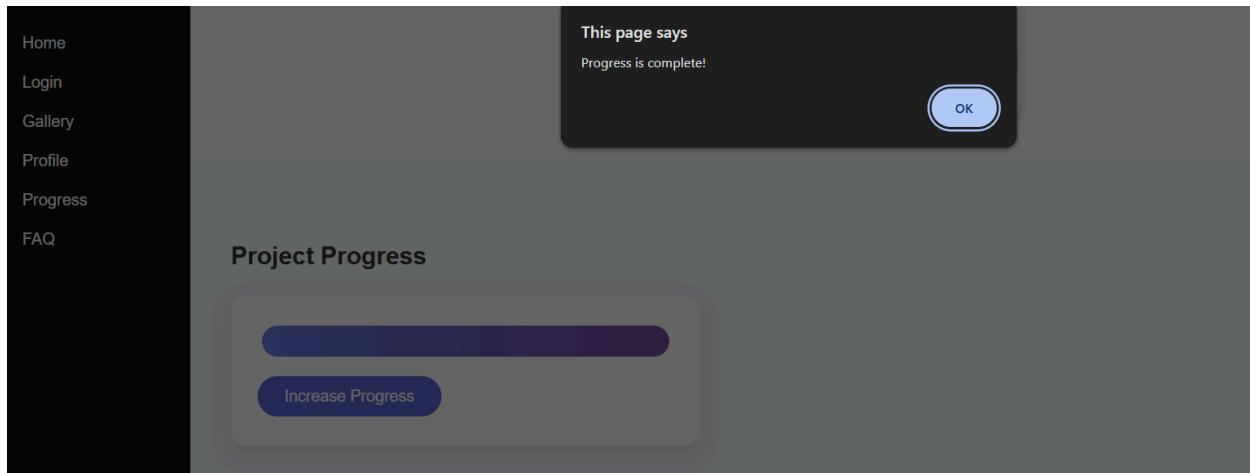

Lab Exercise

A screenshot of a user profile page. On the left is a sidebar with the same navigation links as the previous image. The main area features a placeholder profile picture of a person with dark hair and a red shirt. Below the picture is the name 'Misha' and the title 'Web Design Student | Unique Techno'. The entire profile section is enclosed in a light gray rounded rectangle.

A screenshot of a project progress page. On the left is a sidebar with the same navigation links. The main area has a header 'Project Progress' above a progress bar. Below the progress bar is a blue button labeled 'Increase Progress'. The entire project progress section is enclosed in a light gray rounded rectangle. Above the main content area, there is a smaller, separate card with the name 'Misha' and the title 'Web Design Student | Unique Techno'.
